## **MET, Code Blue and Urgent Clinical Review at Sunshine Hospital & Footscray Hospital precinct Covid-19 Surge**

### **Critical Care Outreach Team – Cessation of enhanced Model during COVID-19 surge, 2022**

In September 2021 The ICU LN team, Anaesthetists and CCU Nurse Team combined to support all rapid clinical responses throughout the COVID-19 Pandemic.

As of **Monday 21st February 2022** The Anaesthetist supporting the CCOR Team will return to their substantive role to support the reintroduction of elective surgeries, the CCU MET responders will also return to the CCU Roster.

The CCOR ICU Liaison Nurses will continue to provide full cover for MET, UCR and Rounding 24/7 across both Footscray and the Sunshine Hospital (including JKWC).

**Any requests for anaesthetic support (e.g. intubation assistance) can still be contacted via the Anaesthetist in charge phone as required:**

**Sunshine: 9055 3021**

**Footscray: 8345 6540**
